OUTDOOR ESCAPE

An Exciting Week of Outdoor Activities for Grade 6 Graduates!

Outdoor Escape is a 5-day program designed for **Grade 6 graduates**. This program will give students the opportunity to grow and learn in an outdoor environment. The goal of Outdoor Escape is to help students prepare for future Gould Lake programs, by providing the opportunity to gain confidence in their skills and abilities and allow them to learn how to work within a team environment.

Days will be spent at Gould Lake (we refer to these day-camp days as "Barn Days"). During this time, students will be learning and gaining new skills including campcraft, canoeing, navigation, and team building. On Day 4, students will have the opportunity to take part in a mini trip where they get to experience a mock canoe trip on a Gould Lake campsite.

Bus transportation is provided to and from Gould Lake each day. All food and equipment (i.e. canoes, PFD's, life-jackets, paddles) are provided for the day trip. Students are required to bring their own personal gear as well as lunches and drinking water for the 4 days prior to the Canoe Day Trip. We will provide lunch and snacks on the Canoe Day Trip.
